SKOURAS

DOMAINE SKOURAS

EST 1986

Domaine Skouras is located in the Northeastern Peloponnese, within the Protected Designation of Origin (PDO) region of Nemea, known for the local variety Agiorgitiko.

The winery was founded in 1986 by George Skouras, introducing the emblematic label “Megas Oenos.” From the beginning, his goal was clear: to produce high-quality wines that reflect the character of the Greek terroir and native grape varieties.

Today, Domaine Skouras is a modern winemaking facility surrounded by vineyards, combining advanced technology with elegant Greek architecture. The winery is designed to ensure the highest standards in production and bottling, while also offering a complete visitor experience.

Annual production reaches approximately 850,000 bottles, with 50% exported to over 25 countries. The vineyards are located in Nemea, Corinthia, Argolida, and Arcadia, at altitudes ranging from 60 to 1,040 meters.

The winery cultivates international varieties such as Syrah, Cabernet Sauvignon, Merlot, Sauvignon Blanc, Chardonnay, and Viognier, as well as native Greek varieties including Agiorgitiko, Moscofilero, Roditis, Assyrtiko, Malagousia, and Mavrostyfo.

CUVÉE PRESTIGE WHITE

63% Roditis alepou, 30% Moscofilero,
7% Malagousia

Tasting notes: The colour is bright white-yellow with green hues. The nose is complex and the wine exudes aromas of fresh flowers, with hints of crushed blossoms. A relaxed pace and a luxurious texture give flavours of citrus fruit and touches of jasmine and mint. In the aftertaste, the acidity travels across the palate for a clean, extended finish.

CUVÉE PRESTIGE ROSÉ

70% Agiorgitiko, 30% Moscofilero

The color is bright, light cerise with pink hues. Vibrant and clear on the nose, with aromas of ripe cherries, raspberries, hints of flowers, and rose petal notes. On the palate it has a medium body, moderately high acidity and the slightest suggestion of very ripe tannins. Flavors are consistent with the aromas, with a light sensation of sweet grass and bubble gum. The finish is moderately long, with developing flavors that lead to complexity.

CUVÉE PRESTIGE RED

90% Agiorgitiko, 10% Cabernet Sauvignon

The colour is brilliant, medium-strength violet with pink hues. On the nose it is vivid and intense with aromas of black cherries, blackberries, hints of plums, violets and dried herbs. On the palate it has medium body, moderate acidity with smooth tannins – all in harmony. The aftertaste is moderate with a gentle note of anise seed.
